COMMUNICATION REGARDING FILING OF AMENDMENT AND RESPONSE TO
JULY 31, 2006 NON-FINAL OFFICE ACTION IN U.S. PATENT APPLICATION NO.
10/528,469

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

In response to the July 31, 2006 non-final Office Action, an Amendment & Response was filed via facsimile sent to 571-273-8300 – however, the FACSIMILE TRANSMISSION CERTIFICATE indicated both an October 31, 2006 date and an October 30, 2006 date as the date of filing the document – even though, the Amendment & Response was actually filed on October 30, 2006. An Auto-Reply Facsimile Transmission (from the USPTO confirming receipt of all 16 pages on October 30, 2006) was received by the undersigned. A copy of the same is attached marked as “FILE COPY” for the Examiner’s convenience.

4292-101 (New)

Out of an abundance of caution, the undersigned is today (October 31, 2006) re-filing the same 16-page Amendment & Response (filed on October 30, 2006 including attachments (1) – (3) listed thereon) via facsimile sent to 571-273-8300 except that the FACSIMILE TRANSMISSION CERTIFICATE accompanying the Amendment and Response indicates a filing date of October 31, 2006 (in all places without error).

Please accept the undersigned's apology for this clerical and error together with the corrected 16-page Amendment & Response being filed on this 31st day of October 2006 (the FACSIMILE TRANSMISSION CERTIFICATE correctly reciting fax filing date of October 31, 2006 in all places).

No fees are believed to be due for the filing of this paper.

Respectfully submitted,

Date: October 31, 2006

Ajay S. Pathak

ADVISORY: This is an automatically generated return receipt confirmation of the facsimile transmission received by the Office. Please check to make sure that the number of pages listed as received in Total Pages above matches what was intended to be sent. Applicants are advised to retain this receipt in the unlikely event that proof of this facsimile transmission is necessary. Applicants are also advised to use the certificate of facsimile transmission procedures set forth in 37 CFR 1.8(a) and (b), 37 CFR 1.6(f). Trademark Applicants, also see the Trademark Manual of Examining Procedure (TMPE) section 306 et seq.
